

2022 June Workshops

@ Perceptum Science

3 May 2022

Dear Parents

Thank you for your continual support in entrusting your children to Perceptum Science@Learning Sense. I am pleased to announce that the Registration for the June workshop is now open. During the first week [24th - 28th May] regular lessons will go on as usual. Week 1-3 of June [2nd – 18th June] is when the Holiday programs will be carried out. All of the following workshops will be conducted at the Tiong Bahru centre only.

P4-5 Science Gear-up [New! Activity-based series] June workshop is conducted by our very own teacher Ms Victoria who is currently involved in the teaching and planning of the curriculum at our centre. In addition, we also have designed additional **STEM-Lab series [P3-P6]** workshop for students to be engaged in creative and problem-based fun-filled activities.

The **P6 SMART-Prep Intensive Workshop** will be conducted by Mrs Sim.

In addition, our English colleague will also be conducting an English Intensive Revision, please refer to p2.

P6 Smart-Prep Intensive [3 days]
